

# I'm an Animal

by Cora

If I could be any animal, I would most definitely be a penguin because penguins are very smart . This is what I would look like.

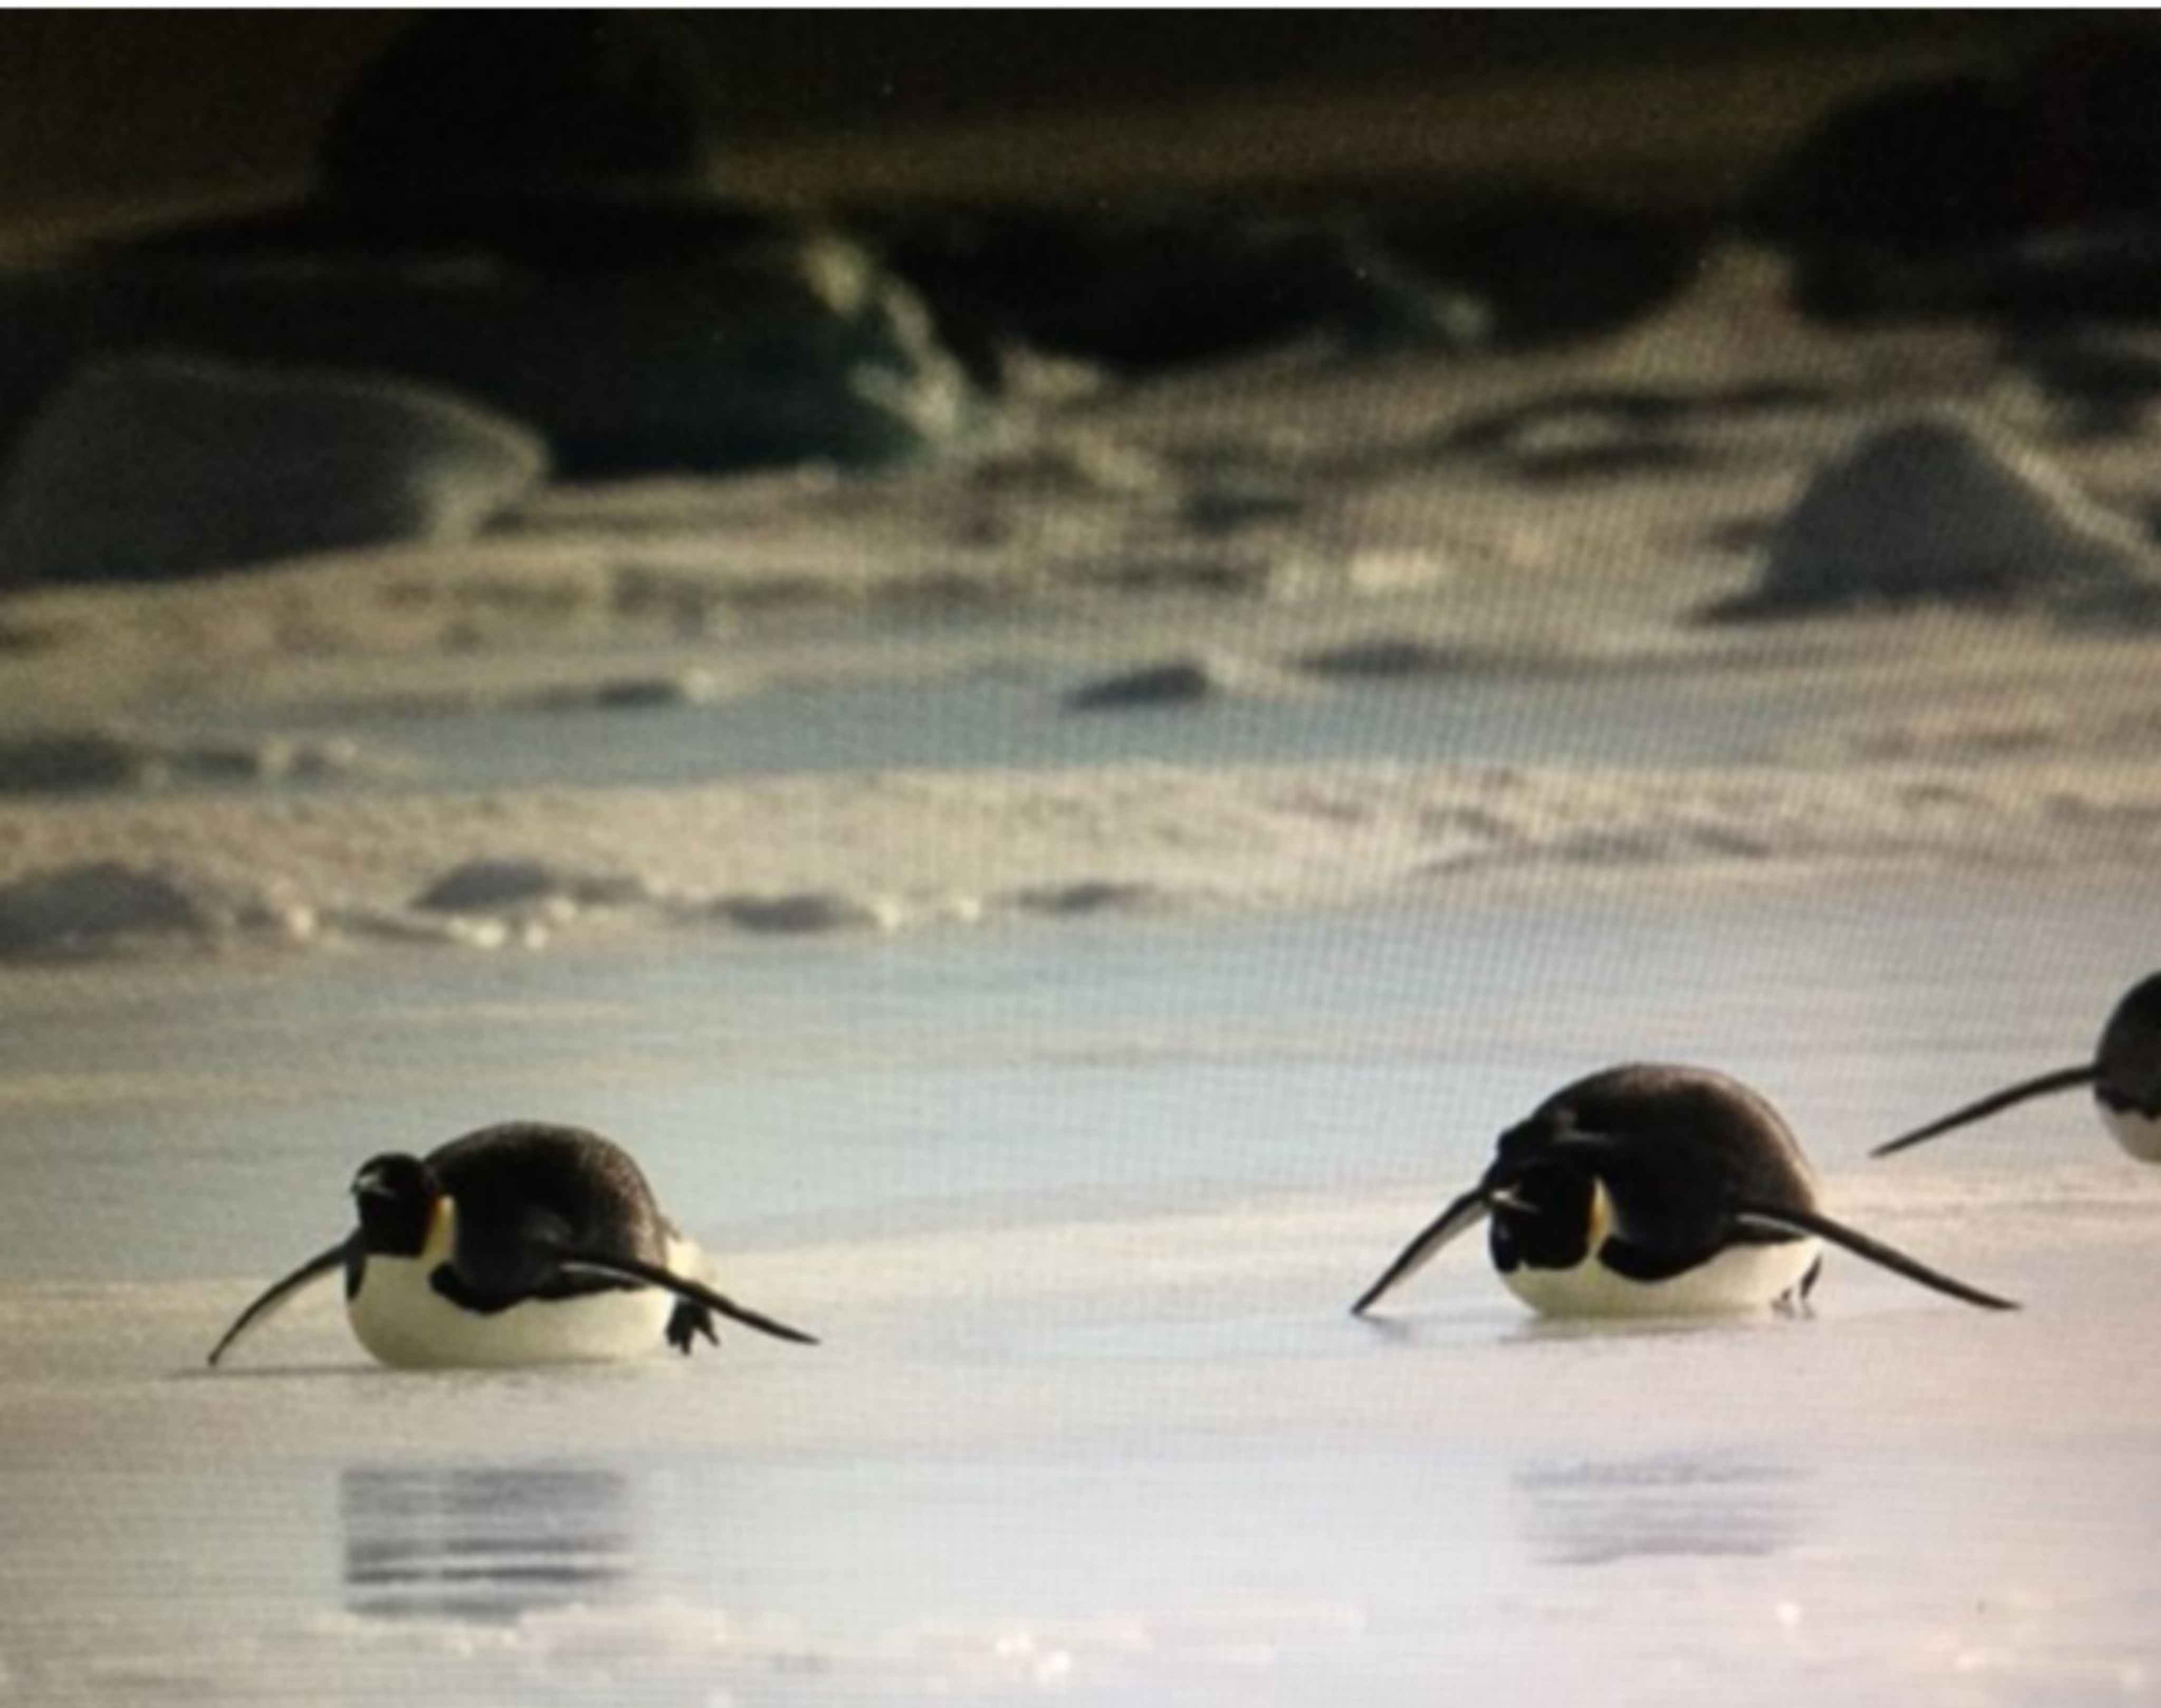

I'd live in Antarctica and would eat seafood.  
Including fish, shrimp and krill.

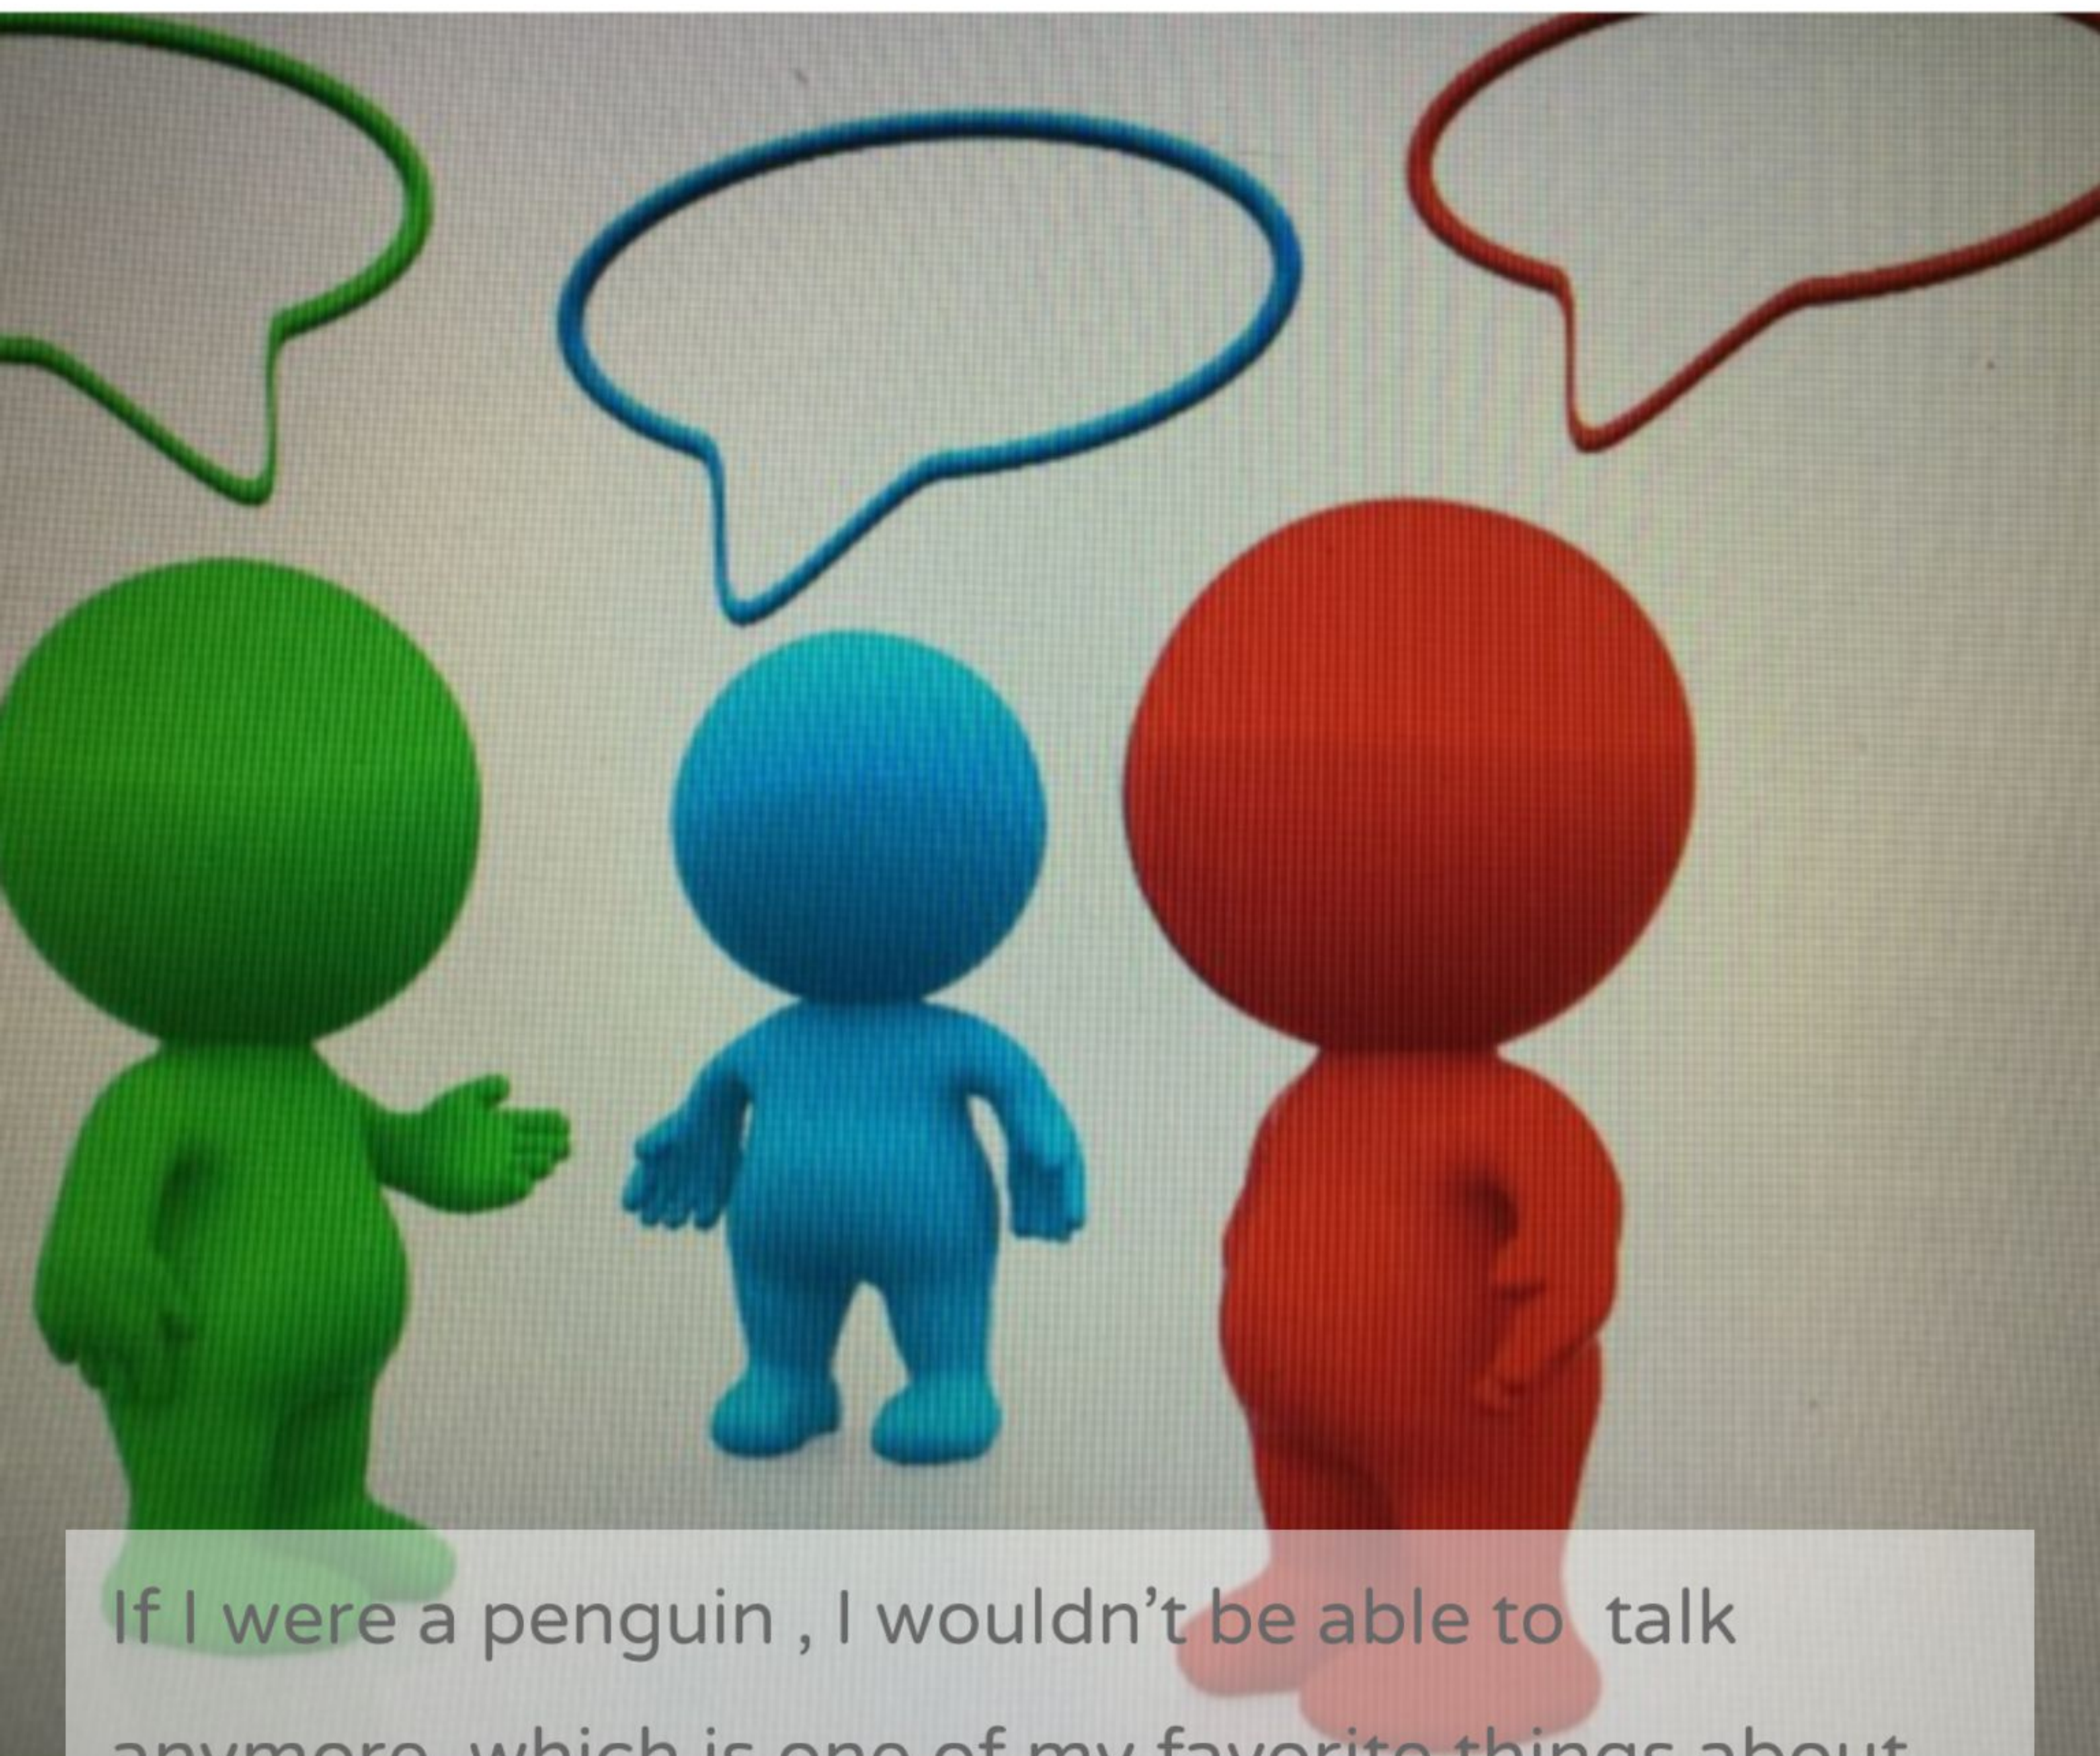

I'd spend my days looking for food and taking care of my baby penguin .

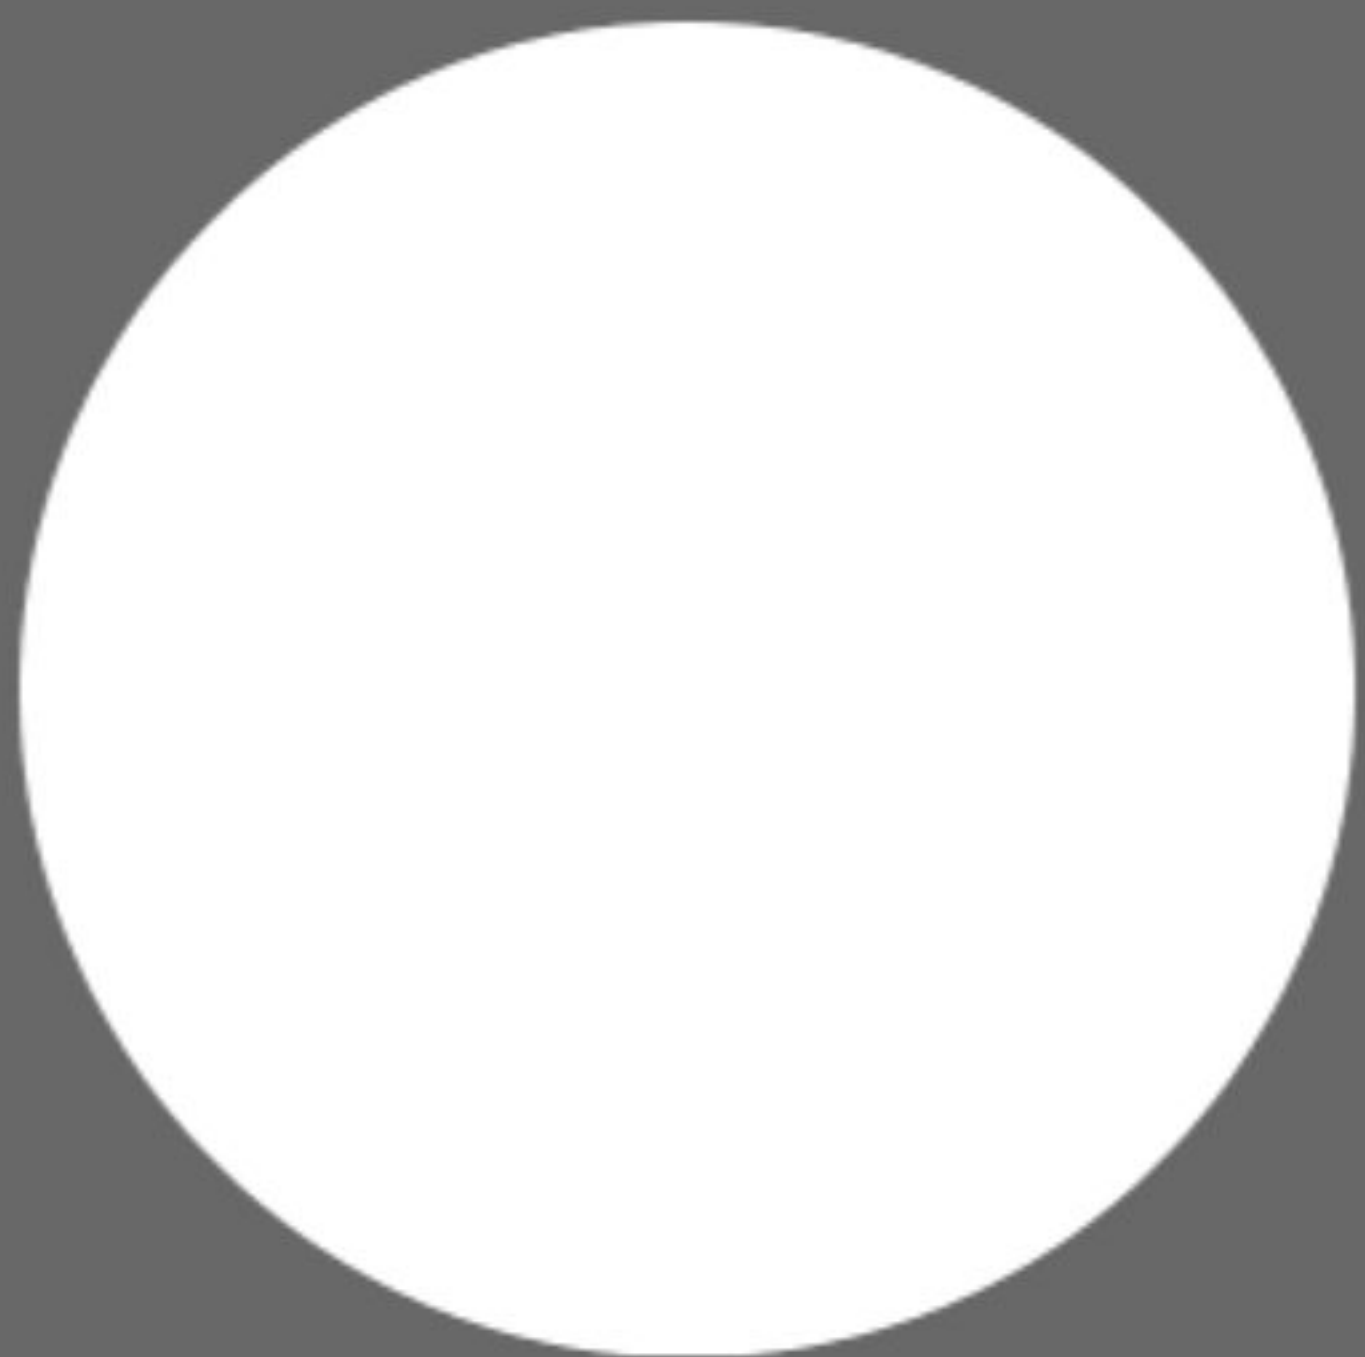

The best part about being a penguin would be be able to slide on your belly super duper fast!

If I were a penguin , I wouldn't be able to talk anymore, which is one of my favorite things about being a person. I guess I'm glad I'm a person!
