

Plastic Bag Ice-Cream

Ingredients:

_____ 1/2 cup **milk**.....

_____ 1/4 cup **half and half**.....

_____ 1 tablespoon **white sugar**.....

_____ 1/4 teaspoon **vanilla extract**.....

_____ 2 cups **ice**.....

_____ 1 tablespoon **salt**.....

_____ 2 sandwich-sized plastic bags (I use Ziploc)

_____ 1 gallon-sized plastic bag (I use Ziploc)

Directions:

		
<p>1. Get plastic sandwich bag.</p>	<p>2. Add the <u>milk</u>, <u>half and half</u>, <u>sugar</u>, & <u>vanilla</u> to the sandwich bag and close it.</p>	<p>3. Put first sandwich bag inside second sandwich bag and close it.</p>
		
<p>4. Open the gallon-sized plastic bag and fill with <u>ice</u> and <u>salt</u>.</p>	<p>5. Put the sandwich bag <u>inside the gallon sized bag</u> and close it.</p>	<p>6. Turn on some music, grab your mittens, and shake, shake, shake the <u>ice-cream mixture</u> until it hardens!</p>

To make harder ice-cream, place bag in freezer for 1-2 hours.

**To make more exciting ice-cream, add your favorite treats to the mixture: chocolate sauce, chocolate chips, M & M's, you name it!
