valentine's day HEART bingo!

To prepare:

- Print out boards so that each student has one. Each color is a different board.
- Print out TWO copies of the picture cards (page 4) because some boards have double pictures.
- Print out one copy of the HEART letters OR use a large die and put H-E-A-R-T over the numbers. Cut letters and put them in a bag.
- If you'd like, so every child can see the pictures, print a large size image of each picture and tape them to the board.
- Find place holders—pennies, beads, Cheerios, or candy corn

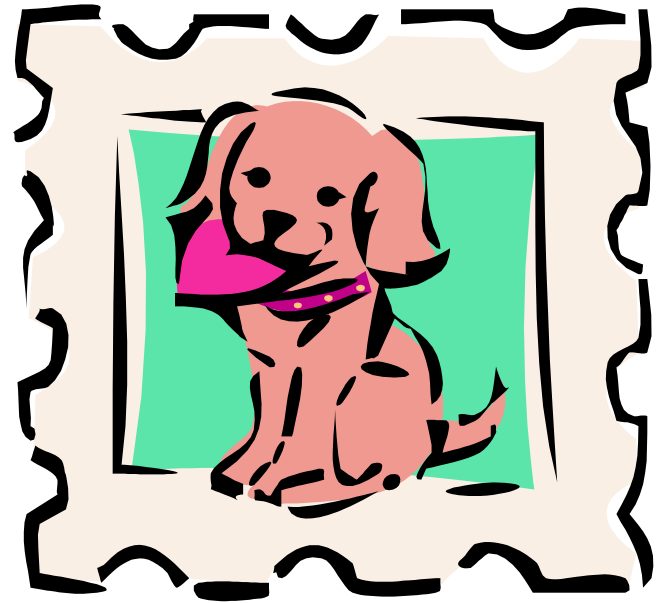

To play:

- Give each child a board and a handful of place holders
- One person chooses a letter out of the bag (H-E-A-R-T) and then she chooses a picture card. She says, *H, puppy. If you have a puppy in the H column, cover it up!*
- She continues calling letters and pictures until one player yells **HEART!** when five pictures are covered in a row.
