Thanks for purchasing our Alphabet Cards!

The possibilities for learning and fun are endless, but here are a few ideas to start you off!

game / link	time to play	how-to
ABC hide-and- seek	10-20 minutes	Choose either uppercase or lowercase letters. Hide them around the room, and once they're hidden, let your child find them, calling out each letter as it's found. Put them in ABC order throughout the hunt!
ABC match-up		Put the uppercase (or lowercase) letters in ABC order on the floor, and put the other set of letters in a big pile, face down. Take turns flipping a card from the pile and match it to it's uppercase (or lowercase) partner.
Uppercase, Lowercase ABC		
ABC Clothespins		String a clothesline across the room, at hip-height so that a child can reach the top. Clip 26 clothespins to the line, each with an uppercase letter on it.
